**About Nord Pool**

Nord Pool, Europe’s leading power market, delivers efficient, simple, secure trading across Europe. The company offers day-ahead and intraday trading, clearing and settlement to customers regardless of size or location. Nord Pool operates markets in the Nordic and Baltic regions, Germany and the UK, and is a Nominated Electricity Market Operator (NEMO) in 13 European countries, while also servicing power markets in Poland, Croatia and Bulgaria. The company has offices in Oslo, Stockholm, Helsinki, Tallinn and London.
