COLLATERAL SECURITY DEED

[This document should be used where an Irish incorporated Collateral Provider gives security over a Cash Collateral Account of the Collateral Provider with a bank or bank branch in Ireland. Where the Collateral Provider is an Irish incorporated company and the Cash Collateral Account is with a bank or bank branch in England, the English Law Collateral Security Deed should be used but should be amended by including clause 25.5 of this document in place of clause 26.5 of the English law Collateral Security Deed and the execution block specified for an Irish incorporated Collateral Provider in this document in place of that specified in the English Law Collateral Deed and by adding "examiner" to point (i) of the Insolvency Event definition]

[Particulars of security created by an Irish incorporated Collateral Provider under this document should be registered with the Companies Registration Office in Dublin by either (a) preliminary registration of notice of intention to create that security and a registration confirming creation of that security that must be made within 21 days of the preliminary registration or (b) single registration that confirms the security is created and is made not later than 21 days after the date of its creation].

- (c) the principles of interpretation set out in Schedule 1 shall apply to the interpretation of this Deed.

2. COVENANT TO PAY SECURED SUMS

- 2.1 The Collateral Provider covenants with the Collateral Taker that it will duly and punctually pay or discharge to the Collateral Taker all debts, obligations and liabilities whatsoever now or in the future (whether before or after the occurrence of an Event of Default) due, owing or incurred by **[insert: [Clearing Member] or [Collateral Provider]** to the Collateral Taker (whether solely or jointly, or jointly and severally, with another or others, and whether as principal or surety, and whether actual or contingent, present or future) including (whether before or after any judgment) all interest, costs and other charges whatsoever and including any debts, obligations and liabilities which arise under or in connection with the Rulebook (including the Clearing Rules) and/or this Deed (the “**Secured Sums**”).
- 2.2 The Collateral Provider shall be treated as liable as principal to the Collateral Taker in respect of the Secured Sums, whether the underlying transactions with respect to such Secured Sums are recorded in the books of account of the **[insert: [Clearing Member] or [Collateral Provider]** and/or the Collateral Taker as being for the **[insert: [Clearing Member] or [Collateral Provider]**'s own account or that of one of its Clients.
- 2.3 It is agreed that the Secured Sums shall be treated, for the purposes of this Deed, as satisfied to the extent that they have been paid by means of a drawing made by the Collateral Taker (and received by the Collateral Taker in free, clear and unconditional funds) pursuant to the terms this Deed.
- 2.4 **[Delete if Collateral Provider is the Clearing Member]** As a separate and independent stipulation, the Collateral Provider covenants that all Secured Sums which may not be recoverable from the Clearing Member by reason of any legal limitation, disability or incapacity or want of powers of the Clearing Member or any irregular or improper purported exercise of such powers or any other fact or circumstance, whether known to the Collateral Taker or not, shall nevertheless be recoverable from the Collateral Provider as sole or principal debtor and the money and interest charged by this Deed shall stand as primary and not collateral security to the Collateral Taker for the payment of all such Secured Sums.

3. CREATION OF SECURITY

- 3.1 As continuing security for the payment or discharge of the Secured Sums, the Collateral Provider, as sole legal and beneficial owner free from any Security Interest, hereby:
- (a) charges to the Collateral Taker, by way of fixed charge, all its rights, title and interest in and to all Cash Collateral now or in the future provided by it to the Collateral Taker pursuant to the Clearing Rules;
 - (b) assigns to the Collateral Taker, by way of fixed charge, all its rights, title and interest in and to all money now or in the future standing to the credit of each Cash Collateral Account together with all interest accruing thereon, including all debts represented thereby; and
 - (c) charges to the Collateral Taker, by way of floating charge, all its rights, title and interest in and to all property deliverable and all money payable to **[it] [the Clearing Member]** by or on behalf of the Collateral Taker pursuant to the Clearing Rules to the extent that such property and money are not effectively charged by any other charge contained in this clause 3.1.
- 3.2 The Collateral Provider undertakes that it shall be the sole legal and beneficial owner of the **Cash Collateral**, the Cash Collateral Account and other property deliverable and money payable to the Collateral Provider that is specified in clause 3.1 and that it shall not create or permit to subsist any Security Interest on any such Cash Collateral, Cash Collateral Account, property and money ranking in priority to this Deed or otherwise prohibited by this Deed while the Collateral Provider's obligations under this Deed are continuing.
- 3.3 **The Collateral Provider** shall, forthwith on the execution of this Deed, deliver a signed notice of charge to the Account Bank in the form set out in Schedule 3 of this Deed and obtain from the Account Bank and deliver to the Collateral Taker **(or procure that the Account Bank delivers to the Collateral Taker)** an acknowledgement duly signed on behalf of the Account Bank in the form of acknowledgement set out Schedule 3 (or such substantially similar acknowledgement as the Collateral Taker may otherwise in its sole discretion accept). Additional Schedule 3 notices and acknowledgements shall be executed and delivered in accordance with this clause 3.2 whenever additional accounts that are to be used as Cash Collateral Accounts are established, or as the Collateral Taker may otherwise require.
- 3.4 The parties to this Deed acknowledge and intend that the security provided under this Deed will constitute a "security financial collateral arrangement" and form part of the same arrangements as the Clearing Rules for the purposes of the Financial Collateral Regulations.
- 3.5 The charges contained in clause 3.1 shall apply to all Charged Property provided by the Collateral Provider to the Collateral Taker as Collateral with respect to all transactions made between **[insert: the [Clearing Member] or [Collateral Provider]** and the Collateral Taker pursuant to the Clearing Rules, whether such transactions are recorded in the books of account of **[insert: the [Clearing Member] or [Collateral Provider]** and/or the Collateral Taker as being for **[insert: the [Clearing Member] or [Collateral Provider]**'s own account or that of one of its Clients.
- 3.6 All money received or realised under the powers conferred by this Deed shall be applied for the purposes and in the order of priority and, if the Collateral Taker has recorded in its books of account transactions for **[insert: the [Clearing Member] or [Collateral Provider]**'s own account

and that of one of its Clients, in the proportions as in each case determined by the Collateral Taker in accordance with the Clearing Rules.

- 3.7 Without prejudice to clause 7 (Negative Pledge), any charges (fixed or floating) or pledges created in the future by the Collateral Provider over the Charged Property (except those in favour of the Collateral Taker) shall be expressed to be subject to this Deed and shall rank in order of priority behind the charges created by this Deed.
- 3.8 If the **[insert: [Clearing Member] or [Collateral Provider]** for any reason ceases to be an account holder with the Clearing System, the rights and property hereby charged to the Collateral Taker shall be released from charge upon the Collateral Provider's written request and at its expense after all Secured Sums have been fully and unconditionally paid or discharged to the Collateral Taker (or, if contingent, have wholly ceased to be capable of arising) and after the **[insert: [Clearing Member] or [Collateral Provider]** has become entitled under the Clearing Rules to request the release of such security.

4. CRYSTALLISATION OF FLOATING CHARGES

- 4.1 The Collateral Taker may, at any time after an Event of Default has occurred, by notice in writing to the Collateral Provider convert with immediate effect the floating charges created by clause 3.1(c) into a fixed charge over any property or assets specified in the notice.
- 4.2 Without prejudice to any law which may have a similar effect, the floating charge will automatically be converted (without notice) with immediate effect into a fixed charge over all the assets subject to the floating charge upon the occurrence of any Insolvency Event.

5. CASH COLLATERAL ACCOUNTS

- 5.1 All cash from time to time provided by the Collateral Provider as Cash Collateral **[for the Clearing Member]** (pursuant to the Clearing Rules) shall be transferred to the relevant Cash Collateral Account.
- 5.2 Each Cash Collateral Account will be established and maintained as a blocked, segregated account with the Account Bank at a branch located in Ireland, and designated using the format "[name of the Collateral Provider]: Re Nord Pool (GB) Blocked Cash Collateral Account" (or otherwise designated as the Collateral Taker may expressly agree in writing). No money may be withdrawn from any Cash Collateral Account except on the express instructions of the Collateral Taker in each case.
- 5.3 The Collateral Taker will notify the **Collateral Provider** of the Collateral (if any) required **[with respect to the Clearing Member]** in accordance with the provisions of the Clearing Rules, so that the amount of Excess Collateral (if any) on the Cash Collateral Accounts can be ascertained.
- 5.4 The Collateral Provider may, if it chooses, request the Collateral Taker to permit a transfer of any amount of Excess Collateral from any Cash Collateral Account to such account as it may designate for that purpose. The Collateral Taker will have a discretion in each case whether or not to permit such a transfer, taking into account (but without prejudice to clause 22.2 (Determinations and Discretions)) among other things the fulfilment or otherwise of the following pre-conditions:

- (a) the internal risk-rating of the **[insert: [Clearing Member] or [Collateral Provider]** with the Collateral Taker is such that it is sufficient to justify the return of Excess Collateral;
- (b) after the Excess Collateral is so transferred, the **[insert: [Clearing Member] or [Collateral Provider]** will have provided sufficient Collateral in order to continue to comply with any Collateral Calls applicable to the Account Holder's accounts (including its client accounts) at the level required to comply with the Clearing Rules;
- (c) the **[insert: [Clearing Member] or [Collateral Provider]** has no outstanding payment obligations to the Collateral Taker or any outstanding Secured Sums;
- (d) the Collateral Taker considers that the **[insert: [Clearing Member] or [Collateral Provider]**'s expected Collateral Calls for the next three Business Days are not likely to be materially different from those during the prior three Business Days; and/or
- (e) no Event of Default has occurred and is continuing in relation to the **[insert: [Clearing Member] or [Collateral Provider]**.

5.5 Any withdrawal from any Cash Collateral Account permitted by the Collateral Taker shall not be deemed to be a release of this security over any other money or interest then or in the future forming part of the Charged Property.

6. REPRESENTATIONS AND WARRANTIES

6.1 The Collateral Provider represents and warrants to the Collateral Taker that:

- (a) it has the corporate power, and has taken all necessary action, to execute and perform this Deed;
- (b) this Deed constitutes legal, valid and binding obligations enforceable against it and creates the Security Interests expressed to be created by this Deed;
- (c) it has obtained all authorisations of any governmental or regulatory body required in connection with the execution and performance of this Deed and such authorisations are in full force and effect;
- (d) the execution and performance of this Deed has not, and will not, violate any law or rule applicable to it or any agreement by which it is bound or by which any of its assets are affected;
- (e) the Collateral Provider is the sole legal and beneficial owner of the Cash Collateral Account and the Cash Collateral free of any Security Interest in favour of any third party;
- (f) at the time of transfer of Cash Collateral to the Collateral Taker or the Account Bank, the Collateral Provider will be the full, legal and beneficial owner of them free of any Security Interest and, upon such transfer being effected, all right, title and interest in and to them shall stand charged to the Collateral Taker with full title guarantee, free of any Security Interest in favour of any third party.

6.2 On each day on which a transfer referred to in clause 6.1(f) is effected, all the representations and warranties stated in clause 6.1 shall be deemed to be repeated.

7. NEGATIVE PLEDGE

- 7.1 The Collateral Provider shall not, without the prior written consent of the Collateral Taker:
- (a) create, or agree or attempt to create, or permit to subsist, any Security Interest (including any security conferring power to convert a floating charge into a fixed charge) or any trust over any Charged Property, or permit any lien (other than a lien arising by operation of law in the ordinary course of its business) to arise or subsist over any Charged Property; or
 - (b) sell, transfer or otherwise dispose of any part of the Charged Property or any of its right, title or interest therein.
- 7.2 **[Delete if Collateral Provider is not the Clearing Member]** For so long as any Secured Sums remain unpaid, the Collateral Provider shall not:
- (a) take any steps to enforce any right or claim against the Clearing Member in respect of any money charged by the Collateral Provider to the Collateral Taker under this Deed;
 - (b) be entitled to share in or take the benefit of any security held by the Collateral Taker or any dividends, compositions or money recoverable by the Collateral Taker from the Clearing Member or any other person;
 - (c) be entitled to take or enforce any security against the Clearing Member or any co-surety in competition with or in priority to the Collateral Taker;
 - (d) exercise any other right or remedy which may accrue to the Collateral Provider in respect of any such money charged by the Collateral Provider to the Collateral Taker.

8. CONTINUING SECURITY

This Deed shall be a continuing security for the Collateral Taker, notwithstanding any intermediate payments or settlements of accounts or other matters whatever. It shall be in addition to and shall not prejudice or be prejudiced by any right of set-off, lien, pledge or other rights exercisable by the Collateral Taker against the **[insert: Clearing Member and/or the Collateral Provider]** or any security, guarantee or indemnity now or in the future held by the Collateral Taker.

9. ENFORCEABILITY

- 9.1 The security created by this Deed will become immediately enforceable and the Collateral Taker shall be entitled to realise or appropriate the Charged Property if:
- (a) an Event of Default occurs in relation to the **[Clearing Member or]** Collateral Provider; or
 - (b) the Collateral Taker elects at any time or times in accordance with the Clearing Rules (and in the absence of an Event of Default) to apply any Charged Property in or towards the discharge of any sum then due from the **[insert: [Clearing Member or Collateral Provider]** to the Collateral Taker.

The taking of enforcement action by the Collateral Taker on or after the occurrence of any event referred to in paragraph (a) or (b) above shall not preclude the Collateral Taker from taking further enforcement action on the occurrence of any other such event or events.

- 9.2 If and whenever such security becomes enforceable, the Collateral Taker may exercise its powers under this Deed in relation to all or such part of the Charged Property in such manner and at such time or times as it thinks fit.
- 9.3 All money received or realised under the powers conferred by this Deed shall be applied for the purposes and in the order of priority determined by the Collateral Taker (consistent with the Clearing Rules).

10. POWERS EXERCISABLE BY THE COLLATERAL TAKER

- 10.1 In addition to its powers under the Rulebook, the Collateral Taker shall be entitled at its discretion without notice to the Collateral Provider:
- (a) to apply or transfer as the Collateral Taker thinks fit all or part of any money or interest subject to this security at any time or times (whether on or before or after the expiry of any fixed or minimum period for which such money may have been deposited) in or towards satisfaction of all or such part of the Secured Sums then due as the Collateral Taker may determine;
 - (b) to execute and deliver such documents and give such instructions as may be required to give effect to this Deed, including instructions for the withdrawal of any Charged Property held by the Account Bank and/or for the use of any money or interest subject to this security to purchase any currency or currencies required to effect such application; and/or
 - (c) to transfer or procure the transfer of the whole or any part of the Charged Property into one or more accounts in the name of the Collateral Taker or an entity nominated by the Collateral Taker.
- 10.2 **[Delete if Collateral Provider is not the Clearing Member]** The Collateral Taker shall have the right, from time to time and at any time, without affecting its rights under this Deed, to grant, vary, renew, increase, determine or refuse credit facilities or accommodation to the Clearing Member, or to compound with or give time for payment or any other indulgence to the Clearing Member or any co-surety or other person, or to make any arrangement, compromise or settlement with any of them, or to take, hold, modify, exchange, release, abstain from perfecting or enforcing any security, guarantee, indemnity or other contract or to discharge any parties to it, or to realise any security in such manner as the Collateral Taker may think fit, or to make any concession or do or omit or neglect to do anything whatever which, but for this provision, might operate to exonerate or discharge the Collateral Provider from any of its obligations under this Deed (except for a specific written release given by the Collateral Taker of such obligations).
- 10.3 The powers contained in clause 10.1 paragraphs (a) to (c) **[and clause 10.2]** above shall be exercisable by the Collateral Taker when the security created by this Deed is enforceable under clause 9.1 without the necessity for any other event having occurred first or any other condition having been fulfilled first.

10.44 The Collateral Taker may place and keep for such time as it may think prudent any money received, recovered or realised under or by virtue of this Deed on a separate or suspense account to the credit of the Collateral Taker, without any intermediate obligation on its part to apply the same or any part of it in or towards the discharge of the Secured Sums.

11. RIGHT OF APPROPRIATION

11.1 The Collateral Taker may, at any time after the security constituted by this Deed has become enforceable, appropriate any Charged Property comprising financial collateral (within the meaning of the Financial Collateral Regulations) and apply it in or towards the discharge of the Secured Sums in such manner as the Collateral Taker may determine.

11.2 The value of any Charged Property appropriated under clause 11.1 shall, in the case of cash, be calculated by reference to the face amount standing to the credit of the relevant account and, in the case of other financial collateral, be calculated by reference to its market value at the time of appropriation as determined (after appropriation) by the Collateral Taker by reference to a public index or other applicable generally recognised source or such other process as the Collateral Taker may select, including a valuation carried out by an independent firm of accountants or valuers appointed by the Collateral Taker.

11.3 The Collateral Taker will account to the Collateral Provider for any amount by which the value of the appropriated Charged Property exceeds the Secured Sums then due and the Collateral Provider shall account to the Collateral Taker for any amount by which the value of the appropriated Charged Property is less than the Secured Sums then due.

11.4 The Collateral Provider agrees, for all purposes of the Financial Collateral Regulations, that the method of valuing Charged Property under clause 11.2 is commercially reasonable.

12. FURTHER ASSURANCE

12.1 The Collateral Provider shall on demand by the Collateral Taker in writing execute and deliver to the Collateral Taker at the cost of the Collateral Provider and in such form as the Collateral Taker may require:

- (a) a legal assignment over all or any money standing to the credit of any Cash Collateral Account;
- (b) where any Charged Property is situated outside Ireland or where title to it is evidenced by entries in a register or account maintained by or on behalf of an intermediary outside Ireland, such mortgage, pledge, fixed charge or other security under the law of the place where the Charged Property is situated as the Collateral Taker may require; and
- (c) such other documents as the Collateral Taker may in its discretion think fit further to secure the payment of the Secured Sums or to perfect this Deed, or to vest title to any Charged Property in itself or any purchaser.

13. INDEMNITY

The Collateral Provider shall indemnify the Collateral Taker fully against all Liabilities which the Collateral Taker may incur in consequence of anything done or purported to be done by or on behalf of the Collateral Taker under or in connection with this Deed or in exercise of any rights or powers conferred on the Collateral Taker by this Deed, except if and insofar as any such Liability results from the Collateral Taker's own proven negligence, wilful default or fraud.

14. INTEREST ON OVERDUE AMOUNTS

Any overdue amount secured by this Deed shall carry interest at the rate and in accordance with the terms applicable under Sections 10.5.1 and 10.5.3 (Interest) of the Clearing Rules. Such interest shall be payable on demand by the Collateral Taker.

15. CURRENCY INDEMNITY

If, for any reason, any amount payable to the Collateral Taker by the Collateral Provider under this Deed is paid or recovered in a currency other than that in which it is required to be paid, then, to the extent that the payment to the Collateral Taker falls short of the amount payable in the contractual currency, the Collateral Provider shall fully indemnify the Collateral Taker on demand for such shortfall.

16. PROTECTION OF THIRD PARTIES

No person (other than the Collateral Provider) dealing with the Collateral Taker shall be concerned to enquire whether any of the powers it has exercised or purported to exercise under this Deed has arisen or become exercisable, or whether the Secured Sums remain outstanding, or whether any event or cause has happened to authorise the Collateral Taker to act or as to the propriety or validity of the exercise or purported exercise of any such power.

17. PROTECTION OF THE COLLATERAL TAKER

- 17.1 The Collateral Taker shall not be liable to the Collateral Provider for any Liability which arises out of the exercise or the attempted or purported exercise of, or the failure to exercise, any of the Collateral Taker's powers under this Deed, except if and insofar as such Liability results from its own proven negligence, wilful default or fraud.
- 17.2 The Collateral Taker shall not be liable for any loss sustained by the Collateral Provider in consequence of the exercise of the Collateral Taker's rights under this Deed, including any loss of interest caused by the determination before maturity of any deposit comprised in the Charged Property or by the fluctuation in any exchange rate at which currency may be bought or sold by the Collateral Taker.

18. POWER OF ATTORNEY

- 18.1 For the purposes of securing the interest of the Collateral Taker in the Charged Property and the performance of its obligations to the Collateral Taker, whether under this Deed or otherwise, the Collateral Provider irrevocably and by way of security hereby appoints the Collateral Taker to be its attorney (with full power to appoint substitutes and to sub-delegate, including power to authorise the person so appointed to make further appointments, in both cases, with regard to all or any part of the Charged Property) and in its name or otherwise:
- (a) to execute any document or do any act or thing which the Collateral Taker or such substitute or delegate may, in its discretion, consider appropriate in connection with the exercise of any of the powers of the Collateral Taker or which the Collateral Provider is obliged by the Collateral Taker to execute or do, whether under this Deed, the Rulebook or otherwise; and/or
 - (b) with full authority to communicate with the Account Bank in all matters relating to the Charged Property and, without limitation, to send and receive messages and instructions with respect to the Charged Property and to make any transfer of funds to or from any Cash Collateral Account and to use the money for the time being standing to the credit of any Cash Collateral Account for the purposes of paying Secured Sums when due and/or holding cash collateral to cover payment of such Secured Sums.
- 18.2 The power of attorney contained in clause 18.1 shall be exercisable by the Collateral Taker at any time or times as the Collateral Taker thinks fit in its discretion (without the necessity for any Event of Default or any other condition having been fulfilled first) and shall continue in force until the Security Interests constituted by this Deed are absolutely and unconditionally released in writing by the Collateral Taker.

19. EXPENSES

The Collateral Provider shall reimburse or pay to the Collateral Taker on demand (on the basis of a full indemnity) the amount of all costs and expenses (including legal costs and VAT thereon) incurred by the Collateral Taker in connection with the exercise, or the attempted or purported exercise, by or on behalf of the Collateral Taker of any of its powers under this Deed or any other action taken by or on behalf of the Collateral Taker with a view to or in connection with the recovery of the Secured Sums, the realisation of the charges contained in this Deed, the preservation of the Charged Property or any other purpose contemplated in this Deed.

20. SET-OFF

- 20.1 Without prejudice to its other rights under this Deed and as a separate and independent stipulation, the Collateral Provider agrees that any money from time to time deposited or paid by the Collateral Provider with or to the Collateral Taker (including any Cash Collateral) and any payment obligation or the value of any delivery obligation owed by the Collateral Taker to the Collateral Provider may, at any time without notice to the Collateral Provider, be applied and set off in or towards the discharge of the Secured Sums or such part of them as the Collateral Taker may select, regardless of the place of payment, delivery and/or currency of the obligation.
- 20.2 The Collateral Taker may make any currency conversion necessary to give effect to such set-off. If any obligation is unliquidated or unascertained, the Collateral Taker may set off an amount

estimated by it in good faith to be the amount of that obligation. The Collateral Taker will endeavour to notify the Collateral Provider following the exercise of any such right of set-off but any failure to do so will not affect the validity of such right or its exercise.

21. ASSIGNMENT BY THE COLLATERAL TAKER

- 21.1 The Collateral Taker shall have a full and unfettered right to assign or transfer all or any part of its rights, interest and benefits under or in this Deed and all rights, interest and benefits under or in any notice (and its acknowledgement) delivered by the Collateral Provider to the Account Bank as contemplated in clause 3.2 and any assignee (the “**Assignee Collateral Taker**”) shall be entitled to exercise rights under, and enforce this Deed and the security constituted by it as if named in it as “Collateral Taker”.
- 21.2 The Collateral Provider will promptly execute any documents and/or take any steps reasonably requested by the assignor or assignee Collateral Taker to effect any assignment permitted by this clause 21, including without limitation executing and delivering a notice in materially the same form as set out in Schedule 4 to the Account Bank. The Collateral Provider shall not be entitled to assign any of its rights, interest and benefits under or in this Deed without the Collateral Taker’s written consent.
- 21.3 There is no limit to the number of assignments that may take place pursuant to this clause 21.

22. DETERMINATIONS AND DISCRETIONS

- 22.1 Any certification or determination by the Collateral Taker of a rate or amount under this Deed shall, in the absence of manifest error, be conclusive and binding on the Collateral Provider in respect of such rate or amount.
- 22.2 Any discretion, power or right conferred on the Collateral Taker by this Deed to make or vary any determination or to give any approval or to decide any matter or to form any opinion or judgment shall be construed to be a discretion, power or right exercisable by the Collateral Taker, in its sole and unfettered discretion, at any time and from time to time.

23. DISCHARGE CONDITIONAL

Any release, discharge or settlement between, on the one hand, the Collateral Provider and/or the Clearing Member and, on the other hand, the Collateral Taker shall be deemed conditional on no payment or security received by the Collateral Taker in respect of the Secured Sums being avoided, reduced or ordered to be refunded pursuant to any law relating to insolvency, bankruptcy, winding-up, administration, receivership or otherwise. Notwithstanding any such release, discharge or settlement:

- (a) the Collateral Taker may retain this deed and the security created by or pursuant to it, including all certificates and documents relating to the whole or any part of the Charged Property, for any period that the Collateral Taker deems necessary to provide the Collateral Taker with security against any such avoidance, reduction or order for refund; and
- (b) the Collateral Taker may recover the value or amount of such security or payment from the Collateral Provider subsequently as if the release, discharge or settlement had not occurred.

24. FORBEARANCE, SEVERABILITY, VARIATION, REGISTRATION

- 24.1 No failure to exercise and no delay on the part of the Collateral Taker in exercising any right, remedy, power or privilege under this Deed and no course of dealing between the parties shall be construed or operate as a waiver of that right, remedy, power or privilege, nor shall any single or partial exercise of any right, remedy, power or privilege preclude any other or further exercise of it or the exercise of any other right, remedy, power or privilege.
- 24.2 The rights and remedies provided by this Deed are cumulative and are not exclusive of any rights or remedies provided by law.
- 24.3 If any provision of this Deed is held to be illegal, invalid or unenforceable in whole or in part, this Deed shall continue to be valid as to its other provisions and the remainder of the affected provision.
- 24.4 No variation, supplement, deletion or replacement of or from this Deed or any of its terms shall be effective unless made in writing and signed by a duly authorised representative on behalf of each party.
- 24.5 The Collateral Taker may, without reference to the Collateral Provider, take any step to register this Deed with any registry or governmental authority in any jurisdiction, including registering this Deed against the Collateral Provider at the companies registration office in Ireland and the Collateral Provider irrevocably and unconditionally authorises the Collateral Taker and any legal adviser appointed by the Collateral Taker to do, at the reasonable cost and expense of the Collateral Provider, all acts and sign on behalf of the Collateral Provider all required documents and forms (whether physical or in electronic format) as the Collateral Taker or such legal adviser may consider necessary or desirable for the purpose of carrying out in relation to the security constituted by the Deed any registration procedure under Section 409 of the Companies Act 2014. For the avoidance of doubt, this clause 24.5 permits the Collateral Taker or its legal adviser to include the email address of the Collateral Taker or its legal adviser in any form filed under Section 409 of the Companies Act 2014 for the purposes of receiving a certificate of registration of a charge form the Irish companies registration office. Each of the Account Holder and/or the Collateral Provider undertakes to do all such acts and to execute all such documents as the Collateral Taker may reasonably require in relation to the foregoing.

25. DEMANDS, NOTICES, ETC

Unless as specifically set out in this Deed or provided for in the Clearing Rules, any demand or notice to the Collateral Provider under this Deed shall be effective only if made in writing by an officer of the Collateral Taker and communicated to the Collateral Provider in accordance with the Clearing Rules.

26. GOVERNING LAW AND JURISDICTION

- 26.1 This Deed and all non-contractual obligations arising out of or in connection with it shall be governed by and construed in accordance with the laws of Ireland.

- 26.2 The Irish courts shall have exclusive jurisdiction to settle any claim, dispute or difference which may arise out of or in connection with this Deed.
- 26.3 Clause 26.2 shall not limit the right of the Collateral Taker to take proceedings against the Collateral Provider in any other court of competent jurisdiction nor shall the taking of proceedings in one or more jurisdictions preclude the taking of proceedings by the Collateral Taker in any other jurisdiction, whether concurrently or otherwise.
- 26.4 The Collateral Provider irrevocably waives any objections on the ground of venue or inconvenient forum or any similar grounds and irrevocably agrees that any judgment in any proceedings brought in any court referred to in this clause 26 shall be conclusive and binding and may be enforced in any other jurisdiction.

THIS COLLATERAL SECURITY DEED has been executed by the Parties as a deed and shall take effect on the date stated in the beginning hereof.
